Уважаеми клиенти,
Антарес Интернешънал Груп е вече на 18 години. От самото начало ние растяхме стабилно и с прогресивна крачка като постоянно добавяхме знания, умения, производствен капацитет, човешки ресурси, винаги се стремяхме да даваме възможно най-добрия продукт и услуга на нашите клиенти. Този продължителен опит, който ни усъвършенства доведе до получаването на сертификат по ISO-9001, който потвърждава нашето първокласно представяне в качеството на продуктите, фирмената организация и грижата за клиента. Нашия нов каталог се гордее с няколко нови артикула, тъй като ние както винаги сме лидери на пазара със съвременения дизайн и качество, който предлагаме. Благодарим ви, че избрахте Антарес Интернешънал Груп.
